**Southern Hills Mennonite Church Mission Statement** (from the church constitution): *The purpose of this congregation shall be to live by and promote, through worship, study, giving and witness, the heritage of the Anabaptist-Mennonite expression of the Christian faith and life in contemporary form. We believe this to mean that a congregation is to be a body of Christians committed to the Lordship of Christ, who, by the power of the Holy Spirit, seek to live lives of discipleship, to practice the ethic of love and nonresistance in all human relationships, and to adhere to the historic peace position.*
